CRC International Missions Bible College English

1. Planning to run an IMBC course

The CRC Churches International Missions Bible College (IMBC) is framed around the Australian Qualifications Framework BUT IMBC is not offering this training as an Australian Accredited training Qualification. IMBC has been developed to assist church leaders to have a sound Biblical understanding of Ministry, Theology and Church governance. IMBC training is governed by CRC CHURCHES MISSION INCORPORATED No A0116001Y 2022 Australia as a training arm of CRC Churches International Australia and is NOT intended to offer awards that would hold any government recognition.

Below is a listing of training and the awards offered by IMBC at this time.

CRC Churches Recognition	IMBC Training offered.	Purpose and Outcome
CRC739INT Custodial Award (Equivalent to Cert I)	Safeguarding Individuals	To introduce the vision of CRC Churches International and a framework for safe Ministry.
CRC740INT Progenies Award (Equivalent to Cert II)	Children and Young People Ministry	To support these working with Children and Young People.
CRC741INT Restoration Award (Equivalent to Cert III)	School of Healing and Freedom	To strengthen the church and leaders through healing and freedom in Christ.
CRC721INT Certificate Award (Equivalent to Cert IV)	Certificate in Ministry and Theology	To strengthen the church leaders and introduce these wanting to link with CRC Churches International
CRC743INT Diploma Award (Equivalent to Diploma)	Diploma in Ministry and Theology	To prepare Leaders for ministry and how to become a CRC Churches International Ministry

The first task that MUST be completed by all trainers and potential students,

The first task that MUST be completed by all trainers and potential students is to complete the Safeguarding Individuals course. This is a one/two-day course and can be completed in a face-to-face setting or self-paced at home. Each person wanting to study at any IMBC courses MUST complete and pass the Safeguarding Individuals course. Please note Safeguarding Individuals does is not an exam it is assessed by assessments, and each person will be allowed multiple opportunities to successfully complete the assessments. You may download the notes and assessment workbook here <https://crccollege.org/sgi>

- 1.1. **The planning stage is the most important.** Whether you plan to start a new campus or run more courses in an existing campus, you must consider several things such as the following:
 - How much time is required for a course? This depends on whether the course is a certificate or diploma course. The certificate course has nine (9) subjects (units) and the diploma course has ten (10) subjects (units), so you need to allow time for students to complete these. With one or two days to run the compulsory Safeguarding Individuals course.
 - Consider the information contained below in paragraph seven (7) about the specific date for students to submit their workbooks to the Trainers for revision. If there are any changes, consider those changes. Depending on these changes, you will need to carefully consider how long it will take you to complete the course.
 - Suggested course schedule to allow students enough study and relaxation time.

Minimum Face to Face training time	Training Days	Training Time
Safeguarding Individuals	1-2	10 hours
Children and Young People Ministry	TBA	
School of Healing and Freedom	TBA	
Certificate in Christian Ministry and Theology	20	160 hours
Diploma in Christian Ministry and Theology	25	200 hours

- The schedule is recommended, as it allows for minimum rest days to enable students to answer questions from the relevant workbooks' books for each subject.

Possible Training process	Block training	Monthly training	Weekend training	Weekly training
Safeguarding Individuals	1 or 2 days		Friday 3 hours Saturday 7 hours	1 night per week for 3 hours over 3 weeks
Certificate in Christian Ministry and Theology	4 continues weeks – 20 days @ 8hours	2 – 8hour days each month over 10 months	Friday 3 hours Saturday 10 hours Sunday 3hours Over 10 months	1 night per week for 3 hours over 50 weeks
Diploma in Christian Ministry and Theology	5 continues weeks – 25 days @ 8hours	2.5 – 8hour days each month over 10 months	Friday 3 hours Saturday 10 hours Sunday 3hours Over 11 months	1 night per week for 3.5 hours over 50 weeks

Trainer tasks outside of face-to-face training times during the course:

- It is expected that the Trainer allow enough time during training for them to correct the student's workbooks and submit them before returning home (in case they have come from a distant place).
- The sample student workbooks **MUST** be submitted by clicking on this link <https://missions-africa.churchcenter.com/people/forms/420374>, fill in the online form using the student's name and attaching the workbook to upload.
- Trainers **MUST** also complete the completion-of-course sign-off form and sign it as a token of course completion for each student and ensure that students sign it, and submit it to IMBC before returning home (if they are from another area).
- Once the course has finished and all the workbooks have been reviewed and corrected, the completion-of-course sign-off form **MUST** be submitted by clicking this link:
- <https://missions-africa.churchcenter.com/people/forms/420375> .
- Fill in the online form using the student's name and attached the sign-off form and upload. (This form should **NOT** be submitted until the students have completed all their workbooks).
- It is important that time be set aside in the work schedule to fulfill these tasks as they must be completed before returning home.

Which Trainer should be appointed to teach students in a particular area?

- The Trainer closest to the location should be the one to do the training because this keeps costs down. All the Trainer in each country should work together to schedule training in a way that the courses are taught by the Trainer closest to the area where the classes are being held. The final decision will be from the agreement with the National Chairman and the IMBC Office. Honorariums cannot be considered without the endorsement of the National Chairman.

Other things to consider:

- Accommodation and meals to be provided by the host campus from student contributions – no financial support will be offered by IMBC to assist with accommodation and food.
- Family support while the Trainer is away from home.
- Transportation (only if long distance travel is required)
- Eligible contributions to be made by students.

3. Applying for funding and Honorarium if needed

Funding is now working on the new model, see section 11 below.

Apply for funding at least six (6) weeks (preferably eight (8) weeks) before you plan to start the course.

- When applying for funding, it must be for the entire certificate course (not for part of the course).
- The funding application **MUST** include the graduation ceremony
- Please ensure that all applications for funding are approved by the National Chairman of the respective country and confirmed by a letter (*if this is not provide, your request will not be considered*).
- To submit your funding application, please go to (visit) <https://www.crccollege.org/imbca> (please contact your National Chairperson, for a password to enable the link to open).
- Please note that you **MUST** keep receipts of all funding transactions as they must all be submitted to IMBC to verify its funding account in Australia (as required by Australian law). Please submit them at <https://www.crccollege.org/imbca> (contact the CRC National Committee Chairperson for the corresponding password)

4. Steps to follow before the course begins

Register the campus at least two (2) months before you want to start classes. (<https://missions-africa.churchcenter.com/people/forms/380158>) To avoid delays and disruptions you **MUST** plan ahead when planning to start a campus and run the certificate or diploma courses at that campus.

- 4.1. Apply for funding six (6) weeks before you plan to start the certificate or diploma course. Please apply here by clicking on this link <https://missions-africa.churchcenter.com/people/forms/409780> (please also contact your country's CRC National Executive Chairperson for the relevant password).
 - When applying for funding, it must be for the whole certificate or diploma course (not part of the course)
 - **NOTE:** no extra graduation ceremony costs will be considered.
- 4.2. You **MUST** register your certificate or diploma course (classes) you are planning to run at least four (4) weeks before you plan to start the course (classes) (<https://missions-africa.churchcenter.com/people/forms/391767>.)
- 4.3. Start to register students from when you register your campus. (Certificate - <https://missions-africa.churchcenter.com/people/forms/380158>, Diploma - <https://missions-africa.churchcenter.com/people/forms/380158>).
 - All students must be registered one (1) week before you start the class.
 - Once the course (classes) begins, you **CANNOT** register new students after the **first week** of a long running (six to twelve months) or after the **third day** of a short-term course (four to six weeks). Therefore, they will have to wait until the next course to be registered to start studying.
 - When the students are registering, they **MUST** provide their own mobile/cell phone number and their own email address if they have one.
 - The practice of using the Trainers mobile/cell number and email address on their student registration is not acceptable. However, if a student does not have a mobile/cell number and/or email address then it is recommended that they use their pastor's number and email, not the Trainer's. If the details are not loaded right, then IMBC will consider the student not enrolled and will not be counted as a student for Honorariums.

5. Ordering Student Course/Class Notes & Workbooks

- 5.1. All CRC IMBC course/class notes and workbooks must now be ordered online:
 - CRC IMBC Certificate Course Notes and Workbooks: <https://missions-africa.churchcenter.com/people/forms/431829>
 - CRC IMBC Diploma Course Notes and Workbooks: <https://missions-africa.churchcenter.com/people/forms/432498>
- 5.2. When planning to run a certificate or diploma course please allow at least six (6) weeks for the printing of the student course notes and workbooks.

6. Attendance lists

- 6.1. Students are expected to attend at least **80%** of each of the subjects in the face-to-face training classes. Also, remote students learning through ZOOM must also attend at least **80%** of each of the subjects in order to be eligible to pass.
- 6.2. Trainers are expected to record student attendance in each face-to-face class. In the ZOOM class, the Trainer should appoint a trusted student to manage the attendance of students in the class, when they enter and leave, showing it in the relevant table in the Excel spread sheet system.
- 6.3. When the course is completed, the Trainer will have to submit/upload the course attendance list file to the IMBC office by clicking on this link here <https://missions-africa.churchcenter.com/people/forms/427326> and attaching the attendance list file to upload it. **Please use your own name to upload the attendance sheets.**

7. After the course begins

- 7.1. Once the course (classes) begins, you **CANNOT** register new students after the **first week** of a long running (six to twelve months) or after the **third day** of a short-term course (four to six weeks). Therefore, they will have to wait until the next course to be registered to start studying.
- 7.2. Those who are late or failed to register in time will have to wait until the next course runs in their area.

8. When are students expected to submit their completed workbooks?

- 8.1. Students **MUST** be instructed by the Trainer at the beginning of the course and in each class, they must start filling in their workbooks while the subject class is being run after the first session (class) and continue to do so throughout the training.
- 8.2. The completed workbook for each subject **MUST** be given to the Trainer at the end of the next subject (unit). e.g.: (*see example below*)
- 8.3. Trainer should revise (correct) the workbooks (exam) books to ensure that they mark each question with a tick as a correct answer or a cross if answered incorrectly.
- 8.4. For online correction (revising) of PDF files, the easiest and quickest way is to highlight the correct answers in green and the incorrect answer in red so that the answers can still be read (if you cannot highlight the answers, highlight the question instead to show that the student's answer is either correct or incorrect).
- 8.5. If students submit their work in Word, files you can also highlight the correct answers in green and the incorrect answer in red.
- 8.6. See submissions and correction schedules following two pages.

9. Marking of Assessments Workbooks

- 9.1. The workbooks are **NOT** exams, they are an open book assessment; therefore, there should not be a reason why any student would fail any subject. The IMBC policy regards reviewing (correcting) student workbooks is **NOT** to give a grade but rather assess whether the student has answered correctly or incorrectly.
- 9.2. If a student does not answer or attempt a question in the workbook, then the workbook **MUST** be returned to that student to complete the unanswered question.
- 9.3. If a student answers a question incorrectly then their workbook **MUST** be returned to that student to research further and answer the incorrectly question again. This **MUST** be repeated until the student has answered the question in full and correctly in the certificate course. In the diploma course student will have three (3) attempts to successfully answer all questions correctly
- 9.4. There should be **NO** reason for a student to fail a course as all the answers are found in the notes and Bible.
- 9.5. The Trainer may decide how many attempts a student may have in the Safeguarding Individuals and Certificate courses. In the Diploma course the student will have up to three (3) attempts to get their answers 100% correct.
- 9.6. Assessment is according to Australia VET standards:
 - *'The process of collecting evidence and making judgements on whether competency has been achieved, to confirm that an individual can perform to the standard required in the workplace, as specified in a Training Package or VET accredited program and is conducted in accordance with the principles of assessment and the rules of evidence.'*¹

The IMBC office will send you a list of students registered in the IMBC database

- Check this list to make sure all students are on the list
- Check the spelling of the student's names that they are correct (it is the Trainers' responsibility to make sure the details are correct – failure to have correct details will result that the Trainer will have part of future honorariums withheld to cover the cost of printing new Awards)

Provide each student with a completion-of-course sign-off (graduation) form so they can complete (fill) in the last page:

- The course completion-of-course sign-off form will be sent to you by the IMBC office
- Please read it carefully to make sure you have complied with and completed all the requirements before you sign it
- The last page **MUST** be filled in by both the student and the Trainer, with both signatures on the form. (only the last page needs to be uploaded)
- To submit the completed sign-off forms please go to <https://missions-africa.churchcenter.com/people/forms/420375> Please use the student's name when uploading the sign-off forms.

Submitting completed student workbook for verification

- The IMBC office will send you a list of completed student workbook samples with student names, which you need to submit to IMBC for the trainer to review.
- The last page of the workbooks **MUST** be filled in and signed by both the student and Trainer.

18. Some important points to remember when planning to run courses/classes

Jesus spent about three (3) years teaching his disciples and did not rush the training. He explained things again and again and again, so we should follow His example.

Trainers are delivering the word of God to their students, this should never be rushed because these students are the future leaders of our churches, so we want them to have a full understanding of what they are being taught.

Please allow at least one to two days off every five to six days of face-to-face training to give students time to reflect, rest and fill in their workbooks. Jesus took time to rest and he expected his disciples to rest as well.

When you train your students, please consider who among the students can be trained to be a Trainer in the area where he/she lives. (Please note that they must also be Pastors.)

The training of the students should be to a high level, able to raise leaders who will enter fully into their ministry as we are all commanded to do so:

Mark 16:15-17

15. *And He said to them, "Go into all the world and preach the gospel to every creature.*
16. *He who believes and is baptized will be saved, but he who does not believe will be condemned.*
17. *And these signs will follow those who believe: In My name, they will cast out demons; they will speak with new tongues.*

Matthew 28:19-20

19. *Therefore, go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit,*
20. *and teaching them to obey everything I have commanded you. And surely, I am with you always, to the very end of the age.*
